

Barham Parish Council – April 2019 InTouch Report

Following last month's report where the Parish Council had commissioned THaT Consultancy to review the highways letter regarding planning applications for Church Lane (1856/17) and Ely Road (DC/18/00861), and other local areas. The report has been completed and submitted to the relevant case officer at Mid Suffolk District Council. This can be viewed on MSDC planning portal and the village website.

The Parish Council are pleased to say that the local contractor has cleared the ditch area alongside the footpath between Thornhill Road and the slade. Therefore, we would like to take this opportunity to remind residents that they should not be fly tipping their garden waste in this area or in fact, anywhere around the village. Please use your nearest recycling centre or make use of the brown bin service offered by MSDC.

The next full Parish Council Meeting is being held on Monday 1st April at 7.30pm in Claydon and Barham Village Hall. Followed by the Annual Parish Meeting which will be held on Monday 29th April at 7.30pm also in Claydon and Barham Village Hall. During May there will be the Annual Council Meeting on the 13th as well as a finance committee meeting on the 20th.

As many of you will probably already know local elections will be taking place early May, which includes parish councils. All existing parish councillors will need to stand for re-election, and in addition to those there are vacancies in Barham that require eligible candidates. You can contact the clerk for information/nomination papers, and deadline for nominations to be hand delivered to MSDC Electoral Services is 4pm on the 3rd April.

Future meeting dates and agendas are available via the website www.claydonandbarham.onesuffolk.net or can be viewed on the village notice boards, which are located near the entrance of the Co-op and at Barham Green. If you would like a specific topic discussed as an agenda item then please email the Parish Clerk. The agendas have to be published at least 3 clear working days before the meeting date, therefore, any items received after this would have to be added to the next full council meeting.
