

## **Barham Parish Council – March 2019 InTouch Report**

Following last month's request for locations for additional waste bins, the Parish Council would like to thank residents for their feedback. The Parish Council will be purchasing new bins to be placed at Sandy Lane, at the entrance of The Crescent and near to the post box on Kirby Rise.

Since last month's issue of InTouch, the council commissioned an external consultant to review the latest submission of the planning application for Church Lane (1856/17). P & DG provided a letter for the Parish Council, which has been submitted to the case officer at Mid Suffolk District Council. This can be viewed on MSDC planning portal and the village website.

The Parish Council were made aware of document by Suffolk Highways which related to the planning applications for Church Lane (1856/17) and Ely Road (DC/18/00861), as well as other local areas. The Parish Council have commissioned THaT Consultancy to review this and provide a further transport report. Once completed this will be submitted to Mid Suffolk District Council.

Over recent months the Parish Council have been looking to instruct a contractor to complete various tasks around the village. The Parish Council are pleased to say that we have contracted someone local to clear the footpath between Coopers way and Station Road, as well as clearing the ditch area alongside the footpath between Thornhill Road and the slade.

The next full Parish Council Meetings are being held on Monday 4<sup>th</sup> March and then Monday 1st April at 7.30pm in Claydon and Barham Village Hall. The Annual Parish Meeting is still to be confirmed but this will be advertised on the noticeboards and website.

Future meeting dates and agendas are available via the website [www.claydonandbarham.onesuffolk.net](http://www.claydonandbarham.onesuffolk.net) or can be viewed on the village notice boards, which are located near the entrance of the Co-op and at Barham Green. If you would like a specific topic discussed as an agenda item then please email the Parish Clerk. The agendas have to be published at least 3 clear working days before the meeting date, therefore, any items received after this would have to be added to the next full council meeting.
