

Barham Parish Council – June 2022 InTouch Report

DATE OF FORTHCOMING PARISH COUNCIL MEETING

The date of the next scheduled Parish Council meeting will be on Monday 15th August 2022, 7.00pm in Barham Church Hall. As always members of the public are most welcome to attend. November date TBC.

All meetings of the Parish Council are advertised on the village noticeboards (outside the Co-op and by Pethouse Lane). Meeting will also be advertised on the village website www.barham-suffolk.org.uk Face Book page and the In Touch Magazine (however Extra Ordinary Meetings may not make the deadline to be advertised in the In Touch).

KIRBY RISE

Barham Parish Council is delighted with the new play area facility, we are sure you will agree it is a worthwhile addition. It has provided the young children in Barham and Claydon the opportunities to play, socialise and have fun in a safe environment for many years to come. We would like to remind that **NO DOGS ARE PERMITTED IN THE NEW PLAY AREA**. A new litter bin is soon to be installed, please place your rubbish in it and refrain from leaving litter on the ground.

However, to ensure the safety of children and residents further, the Parish Council would like to provide a new car parking area by the Kirby Rise Green with 10 spaces in total including 2 places for disabled cars. These would be installed on a tarmac base at the top end of the green. It is also intended to install a small boarder post and rail type enclosure around the whole of the green, with pedestrian access for push chairs and wheelchair users. This will prevent vehicles from being able to drive across the grass, causing damage and giving further protection for the children who are playing.

SPEEDING IN BARHAM

Our speed signs along Norwich Rd are still recording speeds in excess of 60 mph and sadly most are local residents, which is extremely disappointing. We are hopeful that we will soon have an ANPR speed device which will be installed in Church Lane and Sandy Lane, this will takes a photograph of the speeding offenders. We will continue to work with Police and Highways to mitigate the problem of speeding of vehicles.
